Subject: trials on 2/21/2012

Hi Magali-

I wanted to let you know that I received your summonses for the [REDACTED] and [REDACTED] [REDACTED] cases scheduled for trial on Feb. 21, 2012. However, there is a chance that I will be needed for a Superior Court case in Fall River that day as well. The ADA there has informed me that his case is "the first case out 2-21-12", but that some cases have been bumped as there has been a murder case that is taking longer than expected. He said he would confirm it next week, and that he might be able to shuffle me around, if needed, if it actually goes to trial (he "does not see a defense here so it may be a plea anyway"). Thought I'd give you the head's up.
